YORKSHIRE 3 PEAKS CHARITY WALK 20th Aug 2011

I would like to first thank all who took part in last year's walk and all who raised money for GNNSJ Leeds Gurdwara. The event was a great success and many completed the full walk within the 12 hour challenge, again congratulations to those who achieved this goal. For the ones who fell short of the full goal you will have another chance this year to do a lot better. We as organisers have learned a lot from the last year's event and aim to organize it even better this year (We are still learning so please forgive us for any shortcomings). Thanks to your fund raising efforts in 2010, GNNSJ Leeds raised a Grand total of £1552.25. Next Walk Date: 20th Aug 2011
